

LETTER OF RECOMMENDATION

ARCO INVEST EOOD issues these recommendations to Planex Build Ltd. as assessment of their performance in execution of the construction works for **Project ARCO LIVD** - „Residential Building with shops and underground parking – Block B, RLA I 1503, district 7, Manastirski Livadi Zapad, Vitosha region, Sofia, Bulgaria”. Planex Build performed the full execution of the General contractor works of the project.

The project consists of three buildings with a total GBA of 35 484 sq. meters. The construction of Block C that Planex Build Ltd. executed is with GBA of 8 000 sq. meters above ground. The construction was realized for € 1 900 000 and commissioned for exploitation in March 2012.

The execution of the construction works included state-of-the-art, high quality materials and technologies, in conformity with all European standards.

The project was executed in a highly professional manner, in compliance with the contract and the current technical and normative requirements.

Planex Build benefits from having sufficient technical and performing personnel that are highly qualified and possess rich professional experience.

We recommend Planex Build Ltd. as a reliable partner for execution of construction works.
